1st Travel presents our very first mystery trip exclusively for ladies! We have had a lot of requests for this!! So, are you wondering where we will be going?? Well, we just aren't going to tell you!! Let's see if you can figure it out, or wait to be surprised!

Upon arrival to our mystery location we will travel back in time to enjoy a delicious ladies tea at this family owned historic location. With 36 rooms brimming with gems, fashion, treasures for your home and MORE – you'll be sent on a **scavenger hunt** to find clues and learn about the rich history of this place. If only the walls could talk, the stories they could tell! Since 1922 travelers alike from the Orient, Italy, France, and England have gathered here to be entertained and purchase wares.

Did you know it takes 10lbs of **these** to make 4 cups of **this**?? At our next stop you'll learn all about the health benefits and taste to your heart's content! **I – love** it! And **you** will too!

Now c'mon ladies! We can't waste any thyme! At this point we're going to really **spice** things up! Even the most **seasoned** shopper will want to escape the *grind* and *blend* in to **savor** this sensory delight! Nothing here could **rub** you wrong! I even saw Rosemary here last time!

Oh! And did I mention Chef invited us to stop by? He wants to show you his sculptures and NO, that's **not made of glass**!! His only rule is "do not lick the furniture!" You've seen him on Food Network! Two time Guinness Book World Record Holder, world renowned specialty chef, husband, dad, author, and strong supporter of the Saving Tiny Hearts Society. He is a **sweetie**! Meeting him will be a real **treat**!

Ready to enjoy some of the **comforts** of home? We'll head over to our hotel where you can freshen up and get ready for a relaxing dinner!

Founded in 1920, you never know **HOO-HOO** you might see at this place! Even during prohibition, "*Drago Red*" could be found here. Enjoy a delicious meal, a refreshing drink and share stories about our first day.

DAY 2

Come down to breakfast at your own leisure. Belgian waffles, fresh fruit, cereals, breads, coffee and MORE will get us on the right track for another fantastic day at our ***LADIES MYSTERY GETAWAY!***
